MEZZVEST BECOMES MV CREDIT

MezzVest becomes MV Credit. The brand MV Credit is an evolution of the historical brand as it reflects our expansion into a wider range of credit solutions.

Over the last two years, our team has successfully raised two subordinated debt funds, which are focused on the provision of Second Lien, Mezzanine and PIK solutions. Most recently, we have expanded our platform to include a dedicated private debt strategy to invest primarily in Senior and Unitranche solutions.

Our recent investments across the debt spectrum include Ammeraal Beltech, Metrologic, Securitas Direct and Sunrise Medical amongst others.

Our rebranding will bear no operational changes.

Our team and office location (100 Pall Mall, SWY1 5NQ London) remain unchanged.
